

“MOTHER TERESA” UNIVERSITY IN SKOPJE

Tuesday, 7 November 2023 Skopje, North Macedonia

7th International Congress and Conferences “Towards Sustainable Development” TSD
www.conference.unt.edu.mk

CONFERENCE –**Technological and natural sciences and art in the new millennium, education and miscellaneous**

About the Conference–Invitation

This conference aims to address most relevant theoretical and empirical discussions in technological and natural sciences, as well in the field of textile, design and modeling. It offers participants an enriching opportunity to deepen knowledge of Technological and Natural Sciences along with the theoretical and empirical dimensions. The papers related to the art in the form of textile, design and modeling are also welcome.

The conference is supported by “Mother Teresa” University in Skopje and is planned to be organized as a parallel extension to the 7th annual Congress entitled "Towards Sustainable Development".

We are cordially issuing this invitation flyertoanyonewhoisinterestedtoparticipateinthis conference and contribute to this event with a scientific/professional work, which should fall within one of the following sessions and topics listed below.
