

# MOTHER TERESA UNIVERSITY

November 7th, 2023 Skopje, North Macedonia

Congress "Towards Sustainable Development" - TSD

CONFERENCE – The Economic and Environmental Aspects of Sustainability: Local and Global Challenges

## About the Conference – Invitation

The Economic and Environmental Aspects of Sustainability theme explores the interconnectedness of these two dimensions in achieving sustainable development. Through this exploration, this conference aims to provide insights into how decision-makers, businesses, and individuals can work together to achieve sustainable development. It also seeks to raise awareness of the need for a holistic approach to sustainability that takes into account the social, economic, and environmental dimensions of the issue. Ultimately, the theme aims to contribute to the creation of a more sustainable and resilient world for current and future generations. The conference will be organized as a parallel extension to the 7th annual Congress entitled "Towards Sustainable Development", supported by University Mother Teresa.

We are cordially issuing this invitation flyer to anyone who is interested to participate in this conference and contribute to this event with a scientific /professional work, which must fall within one of the following sessions and topics listed below.
